

This architectural drawing shows a side elevation of a building. The main facade is composed of a grid of 10 vertical columns and 10 horizontal rows of rectangular windows. Above the grid, a staircase with a series of steps is visible, leading to a higher level. The drawing includes a vertical scale on the right side, marked from 0.00 to 1.00 in increments of 0.10. At the bottom, there is a horizontal scale bar with markings for 0.50, 1.00, 1.50, 2.00, 2.50, 3.00, 3.50, 4.00, 4.50, and 5.00. The drawing is labeled 'VISTA EN COMPLETO' on the left side.
